Opening a bank account for the Bankura chapter has been discussed.

Members have discussed about the birth control project in Bnakura chapter.

The project, "after school coaching program" on English and Mathematics in Bankura chapter, has been discussed.

Members have discussed on the TSS project in details.

II. Decisions and Announcements

A nominal amount of application fees will be introduced next time for the Book bank project.

Chinmoy Patra will submit a voucher for the expenses of book bank project to Madhusudan Bairagi.

A joint account in SBI will be open for bankura chapter.

5000 INR have been approved for the birth control project. But more discussions are needed to continue this project for further years.

Chinmoy Patra will submit a project proposal to Mukti-Germany for "after school coaching program" (project) on English and Mathematics for Bankura chapter.

15 applicants have been selected for the TSS project. Among them 9 have been chosen with higher priority. Support for these students will be started ASPS (at this moment they will be sponsored for two months from the fund of Mukti-Germany). Asha-Frankfurt and Asha-Munich will

be communicated to fund those 15 students and we also contact people personally to support those 9 students with higher priority. An Arts student will be funded 5000 INR per year and a Science or Engineering student will be funded 10,000 INR per year.

18 August has been decided tentatively for the next meeting to construct the board for Mukti-Germany.

TSS Project estimation:

The assessed annual budget per student is Rs. 5,000/- for Arts students and Rs. 10,000/- for science or Engineering students. The support will be according to the academic programmed of the particular steam. This amount takes care of the followings.
